

30 for 30 Campaign

Dear Friend,

As you know, I work in the counseling program at South Suburban Family Shelter. Last year alone, we helped provide more than **5,000 hours of counseling** to victims that focused on providing information and enhancing skills needed to recover from the effects of domestic violence. We offer individual, group, and family counseling for adult victims and their children. In addition, we provide our clients with economic, educational, housing and legal advocacy. All services are offered free of charge to victims of domestic violence and are offered in both English and Spanish.

South Suburban Family Shelter is celebrating 30 years of providing services to the community. It is because of caring people like you that we have been able to assist families in need for the past three decades. Please consider supporting the work we do with a special 30th anniversary gift that will allow us to continue to provide much needed resources for victims of domestic violence and their children.

With a simple donation of \$30 or more in honor of our 30th Anniversary, you can assist us in providing counseling and support services to hundreds of victims and their children annually. A donation of any amount will allow our program to remain strong.

You can return your tax deductible donation to us with the form below or go on-line at www.ssfs1.org and click on **30 for 30 Campaign Donation**.

Sincerely,

Carol Gsell
Counseling Program Coordinator
